

Did you know substance use can impact your thinking patterns?

For more information about this study contact: CDiA@camh.ca or call: 416-535-8501 x30537

Join the Thinking and Substance Use study.

What's involved?

Those eligible for the study will be asked to complete:

- Two 3-hour sessions involving questionnaires, interviews and computer tasks.
- Brief remote interviews every 2 months for up to 1 year.

You may be eligible if you:

- Are 18-60 years old
- Have experienced alcohol or other substance use disorder within the past year
- Are seeking or receiving support for alcohol or another substance use disorder

Participants will be compensated for their time.
