

Join Our Courses and Programs (CaP) Subcommittee

CaP is a group of recovery college students, facilitators and CAMH staff.

Do you have experience with the Collaborative Learning College (CLC) or other recovery colleges?

If your answer is **yes**, we invite you to join CaP!

Our main goal is to:

- expand how the CLC creates meaningful programming by and for people with lived experience of mental health challenges and/or substance use concerns,
- centre more voices, and
- keep improving how we collaborate with others.

This is your chance to help shape CLC courses and programs by sharing your voice, from planning to delivery.

If you join CaP, what might you do?

- Share your thoughts on what's working and what can be improved in CLC programs
- Be part of a team that ensures programs reflect students' needs and priorities
- Shape how courses are chosen, developed and delivered
- Work with CLC evaluation and research sub-committees

CaP meets virtually for two hours every other week.

We will schedule meetings based on members' availability.

From time to time, we will also invite members to complete optional tasks outside meetings.

As a token of appreciation, CaP members will receive an honorarium of \$30 per hour.
