

CA-CBT for Black Populations has moved to blackwellness.camh.ca

After March 20, 2026, the original course platform (learn-irmhp-psmir.camhx.ca) will be closed to new registrations.

After April 20, 2026, the CA-CBT for Black Populations course will be retired from the original platform.

What this means for you:

If you are starting the course for the first time, please register an account [here](#)

If you are currently taking the course, you have until April 20 to complete it on the original platform. Thereafter you will have to move to the new platform (see instructions below)

If you want to activate your account on the new platform, visit blackwellness.camh.ca and [login](#) with the same username/email you used on the old platform. You will then have to verify your account via email and re-set your password to proceed.
